ABOUT THE SITE

LyondellBasell's Corpus Christi Complex was built in 1980 and is located 12 miles west of downtown Corpus Christi between Interstate 37 and Highway 44. Recent site expansions include an 800 million pounds-per-year ethylene increase in 2016. The site produces basic chemical building blocks that are converted into consumer products such as plastic for food packaging and containers and antifreeze.

ECONOMIC IMPACT

\$223 million

Estimate includes yearly total for goods and services purchased and employee pay and benefits, excluding raw materials purchased (basis 2018)

COMMUNITY ENGAGEMENT

LyondellBasell is committed to being a responsible, good neighbor in the communities where we operate. The Corpus Christi Complex supports the community by volunteering with various groups including:
